PROFILE

Licensed veterinarian (NTU DVM, MS Clinical Veterinary Medicine) with 6 years in the companion-animal industry across distributor, brand and manufacturer roles. Leads new product development and regulatory compliance (Taiwan, AAFCO, Japan) across 6 brands and 9 markets, with a track record in brand campaign planning, e-commerce growth and channel education — and builds AI-powered internal tools that turn repetitive work into systems.

CORE CAPABILITIES

- **Brand & launch planning —** annual brand plans, campaign calendars and budgets aligned to company targets; launched 100+ SKUs on schedule using PMP + Agile hybrid methodology.
- **Market intelligence —** competitor mapping, pricing analysis and trend reports from Taiwan channel data and 6+ international trade shows per year (Interzoo, Global Pet Expo, SuperZoo, Interpet, VIV Asia).
- **Media & digital —** Meta, Google, LINE, transit advertising, Amazon Sponsored Ads (Advanced Certified); KOL/KOC partnerships; pet expo activations.
- **Channel & Key Account —** tailor-made promotions and POP/merchandising for pet retail chains and e-commerce key accounts; expanded distribution from single-digit to 100+ retail partners.
- **Veterinary & technical communication —** nutrition and product training for sales teams, retailers and veterinary hospitals; technical liaison with overseas HQs; peer-level collaboration with R&D and technical teams.
- **AI workflows & internal tools** — with Claude as co-developer, built 12 internal web tools (quality traceability, product Kanban, product info dashboard, design request & proofing platform, channel cost calculator, regulations index) and a daily automated data pipeline; compresses days of research into hours.

PROFESSIONAL EXPERIENCE

Product Development Manager Nov 2025 – Present
Jasper Petcare Products Co., Ltd. (珍食堡實業) — pet food manufacturer, 6 brands, 9 export markets · New Taipei

- Lead new product strategy from concept to launch across 6 in-house brands; standardised the proposal framework covering competitive landscape, positioning, three-tier pricing and full specifications.
- Run cross-market competitor and ingredient-trend research (TW / US / JP) feeding pricing and launch decisions; 480+ SKU development tracks managed in 12 months.
- Ensure formulation, packaging and claims comply with Taiwan Animal Protection Act (pet food chapter), AAFCO and Japan Yakukihō / Keihyōhō.
- Drive partnership with Sun Ten Pharmaceutical (順天堂) on functional pet supplements (joint, coat, vision, cardiovascular).

Marketing Manager Dec 2023 – Oct 2025
Jasper Petcare Products Co., Ltd. · 2024 Outstanding Manager of the Year

- Owned annual go-to-market plans, campaign calendars and budgets across brands and channels; built launch playbooks used company-wide.
- Planned and executed integrated campaigns — pet expos, KOL/KOC programs, targeted media buys — across online and offline touchpoints.
- Delivered channel partner education programs (PetPark, THL Group) and quarterly internal nutrition training to align product messaging across sales networks.
- Grew Taiwan e-commerce revenue 600% and doubled Amazon Japan store revenue; led Amazon US listing build-out, brand storefront and SP/SD/SB advertising.
- Built and led an 8-person cross-functional team (marketing, product, design, e-commerce); standardised customer service SOPs.

Senior Product Manager Nov 2021 – Nov 2023
RealPower Nutrition Co., Ltd. (瑞威動物科技) — pet nutrition brand · New Taipei

- Managed the dog food line (65% of company revenue); delivered 20% YoY growth through portfolio and positioning strategy.
- Created and executed media plans across mass, digital and social channels (Meta, Google, LINE@, transit ads) to build brand recognition and DTC sales.

- Developed channel strategy for e-commerce (MOMO, Shopee, Shopline) and pet retail, expanding distribution from single-digit to 100+ stores.
- Analysed Taiwan pet food market data to set pricing, marketing budgets and competitive positioning; planned export launches for Asian markets.
